

# IOSH Managing Safely Refresher

The IOSH Managing Safely Refresher course builds on IOSH Managing Safely training, ensuring managers' skills and knowledge remain fresh, and they are up to date with best practice guidance and current legislation.

**£109 + VAT for Full & Individual Members\***

COURSE DURATION

Approx. 6 Hours.

\*The cost to Associate and non-members is £249 + VAT.

## Who should take this course?

This course is suitable for anyone who has taken IOSH Managing Safely training in the last 3 years.

## Benefits

- Supports managers to consistently maintain best practice in health and safety by ensuring their knowledge and skills remain fresh. Research shows that the knowledge retention declines significantly over time.
- The course also ensures those responsible for managing health and safety stay up to date with best practices and current legislation.
- IOSH Managing Safely Refresher is an internationally recognised qualification from the Institution of Occupational Safety and Health (IOSH)

This course is delivered by Praxis42 Limited, IOSH Approved training provider 900

# Course Aims

- ✓ Refresh knowledge and skills gained from the IOSH Managing Safely course.
- ✓ Be able to apply refreshed knowledge to the Plan, Do, Check, Act model to ensure continuous improvement in an organisation's health and safety.
- ✓ Understand how leadership impacts health and safety performance and what effective leadership looks like.
- ✓ Understand current standards and legislation and how this influences health and safety in practice.
