

# IOSH Managing Safely

The IOSH Managing Safely course is the industry standard for health and safety management training for business owners, managers, supervisors and team leaders across all industries.

**£149 + VAT for Full & Individual Members\***

COURSE DURATION

Approx. 24 Hours.\*\*

\*The cost to Associate and none members is £249 + VAT.

## Who should take this course?

The course is designed for managers and supervisors who need to manage safely in compliance with their organisation's policy, best practices and health and safety legislation. It is also aimed at people new to health and safety as part of a management training programme.

## Benefits

- Ensures a robust understanding of health and safety best practices and legislation.
- Participants explore practical strategies that can be employed in day-to-day management to improve safety performance and reduce workplace injuries and sick days.
- An internationally recognised qualification from the Institution of Occupational Safety and Health (IOSH).
